### **MEDIA ADVISORY**

- WHO:** Louisiana Department of Environmental Quality's (DEQ)  
Office of Environmental Services staff
- WHAT:** Open House to discuss and review permit requirements and processes  
for Industrial Pipe's pending solid waste permit applications
- WHEN:** August 21, 2003 from 3 to 7 p.m.
- WHERE:** Belle Chasse Auditorium  
8398 Louisiana Highway 23  
Belle Chasse, Louisiana
- WHY:** To provide the public and community with advance information  
about Industrial Pipe's operational plan and enable interested parties  
to adequately provide input to DEQ. This open house will not replace a  
public hearing on the technically complete applications. Industrial Pipe  
representatives also will be present.
